

# ATTACHMENT INSTRUCTIONS

Follow the icons in numerical order to properly attach SPLASH SHIELD to your faceguard.

## CORRECT ORIENTATION

Colored shields represent correct placement.  
Green-Upper shield Purple-Lower shield

## FEATURES

- Attaches to the inside of faceguard
- Trimmable, as desired
- If using Optics Visor, it may be helpful to loosen the attachment clips to install shield
- To provide short-term anti-fogging, **APPLY A DROP OF DISH SOAP** to inside of shield and spread evenly
